THE PHANTOM

An eerie mist hovers over the still, lifeless tomb. Suddenly, a phantasm emerges. Enshrouding the weird illusion in a purplish-white nebula. Upon the asking, it will speak and this is its story:

"I am the Spirit of Cathedral. In 1923 I lay dormant, unformed, dissipated amidst the tombs of the old Calvary Cemetery on Bishops road on the outskirts of Elysian Park near the L. A. river. I was comfortable, unperturbed until an unheard of thing began to take place. The dead are to remain at rest and not to be bothered, but one day some living things began to move more than usual among the tombs, and it was then I was forced to take shape and to find new beings for my care, for from my bosom were snatched all those lifeless forms I had so long cared for. Upon my very resting place a school was being erected. Well, I had no choice but to await my fate. Was I to be chased away to find a new haunt, or could I remain where I had found peace for so long? I waited and saw that the Christian Brothers who had come to Los Angeles in 1923 and started Sacred Heart Academy at Baldwin and Sichel streets in Lincoln Heights were moving their 135 students of 8th to 11th graders from Sacred Heart to my home, just two years after they had arrived. At first the names La Salle, Cantwell, Serra were suggested, but Cathedral was finally chosen since the school was to be the Diocesan High School for boys.

In 1927 the first graduating class of 24 Seniors left Cathedral. It was then that my poor restless spirit was given a place once more, but now with honor and a great purpose for the future. It was decided by a student committee (I had whisked amongst them at the time because I knew what was in the offing) that since I (little old me) had been the natural spirit (what else could I be) of these parts (yes, right here) I ought (why not) to become the school's official spirit. (Now I wonder who could have suggested such a thing?) At first such names as Lions and Gophers were presented but the Phantoms prevailed. Now I arose in new form. No longer to haunt the dead but to give spirit to the living, and this I liked, because knowing the other side of the grave as I do and its meaning, I could direct with safety and effectively these young spirits to their peace in the great SPIRIT. To add the finishing touches, I inspired the use of the Purple and White for the school colors. (I must confess — the name Cathedral brought about the color purple, but it was fitting for me too, and white was taken from the Blue and White which had also been suggested, to honor the Blessed Mother.) Now the Cathedral Phantoms came into being.

Ever since, for these 32 years, I have grown proud of my Phantoms who have borne the banners of the Purple and White to many places to win the respect and veneration of all. For my spirit is one of strength, loyalty, virtue and Wisdom. My spirit stands beside the Phantoms in the class room as they delve into mystery, as they chat in friendly fashion with their companions and teachers, as they fight for victory on the field or court, as they recollect themselves in prayer before our Lady's statue. With each year, I have added some new lustre to Cathedral's glory. Every item with the progress of time, the Alma Mater, the school yells, the shrine of Our Lady of Guadalupe, the Crucifix, the Senior bench, spring concert, frosh week, becomes an ever increasing fulfillment of my spirit. When the summer time comes again, as June rolls along and another year is done, some little bit of me leaves with my graduates, always to be with them. But it isn't long before I'm restored to my full self again for with September and the falling leaves, I am enlivened once more as "little whisps" are blown in with the autumn winds to be formed into the ageless Spirit of . . .

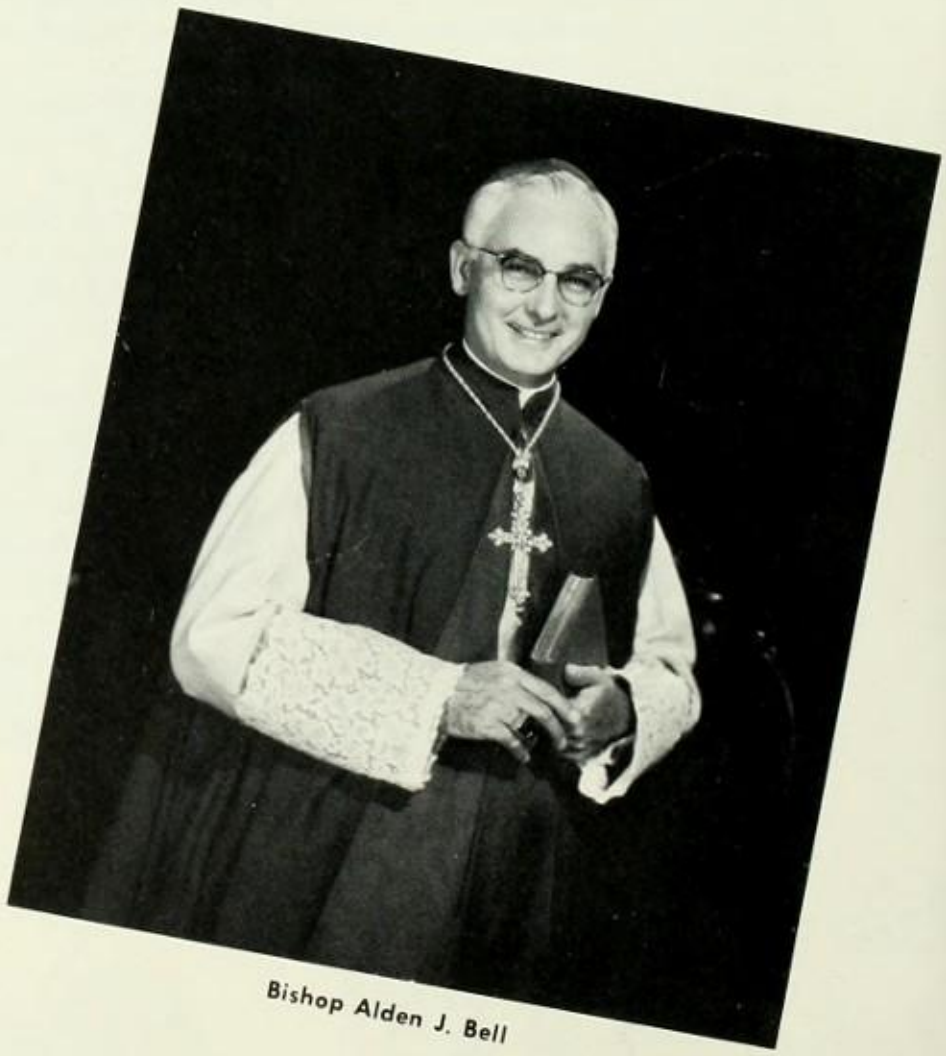
Our Bishops

A group of men who dedicate their lives to God and serve in the highest order of the priesthood, the Bishops of Los Angeles, work zealously in performing the duties of their office.

Since it is fitting that some acknowledgment of our appreciation be given, we extend to our Bishops the sincere gratitude of the entire student body for the spiritual and financial aid given for the betterment of Cathedral High School, in particular this year for the new school offices and the new locker room.

Bishop Timothy Manning



Bishop Alden J. Bell

IN MEMORY

On behalf of the Faculty and student body of Cathedral, the Chimes staff respectfully dedicates this 1957 CHIMES Yearbook to the memory of the late Brother William Cyril, Principal of Cathedral High School from 1946 to 1952.

Brother William succumbed from injuries received in a traffic accident shortly before the beginning of this school year. The hand of God took him just when he was to celebrate his 25th (Silver Jubilee) year as a Christian Brother.

His magnetic personality had many facets. Some were religious, others musical and educational. His great interest in students wherever he taught attracted many to him. At Cathedral, he has left his memory with us in the Annual Spring Concert which he inaugurated. All will remember him for his energy in getting things done, his charitable sense of humor, and his practical wisdom in spiritual guidance by which he has left many inspired.

TRATION

Every well functioning organization needs direction and an intelligently planned system. At Cathedral High the Principal coordinates the school schedule and activities, looks to the general improvement of the school, and lays down the overall policies.

For the last five years Brother Bertram, Principal, has done outstandingly in not only developing a more effective school curriculum but has seen to many material improvements for Cathedral. In the faculty meetings this year he has sought to begin an evaluation of the school program with the hopes of preparing it to meet the most stringent examinations.

Checking attendance and school discipline has been the particular concern of Brother Edward, Vice-Principal, who also makes himself readily available for counseling the students.

Brother Augustine has taken over the duties of Registrar. This particular activity is to see that the school records are kept up to date. Mrs. Graff gives general assistance with the office's clerical work besides receiving tuition and answering questions of the students. Father Angelo Torra, Sch.P., is the Chaplain of the Cathedral Student Body as well as of the Brother's Community. Father is available for spiritual advice to the students. Mr. Si Dallmeier has been assisting Brother Edward in keeping the attendance.

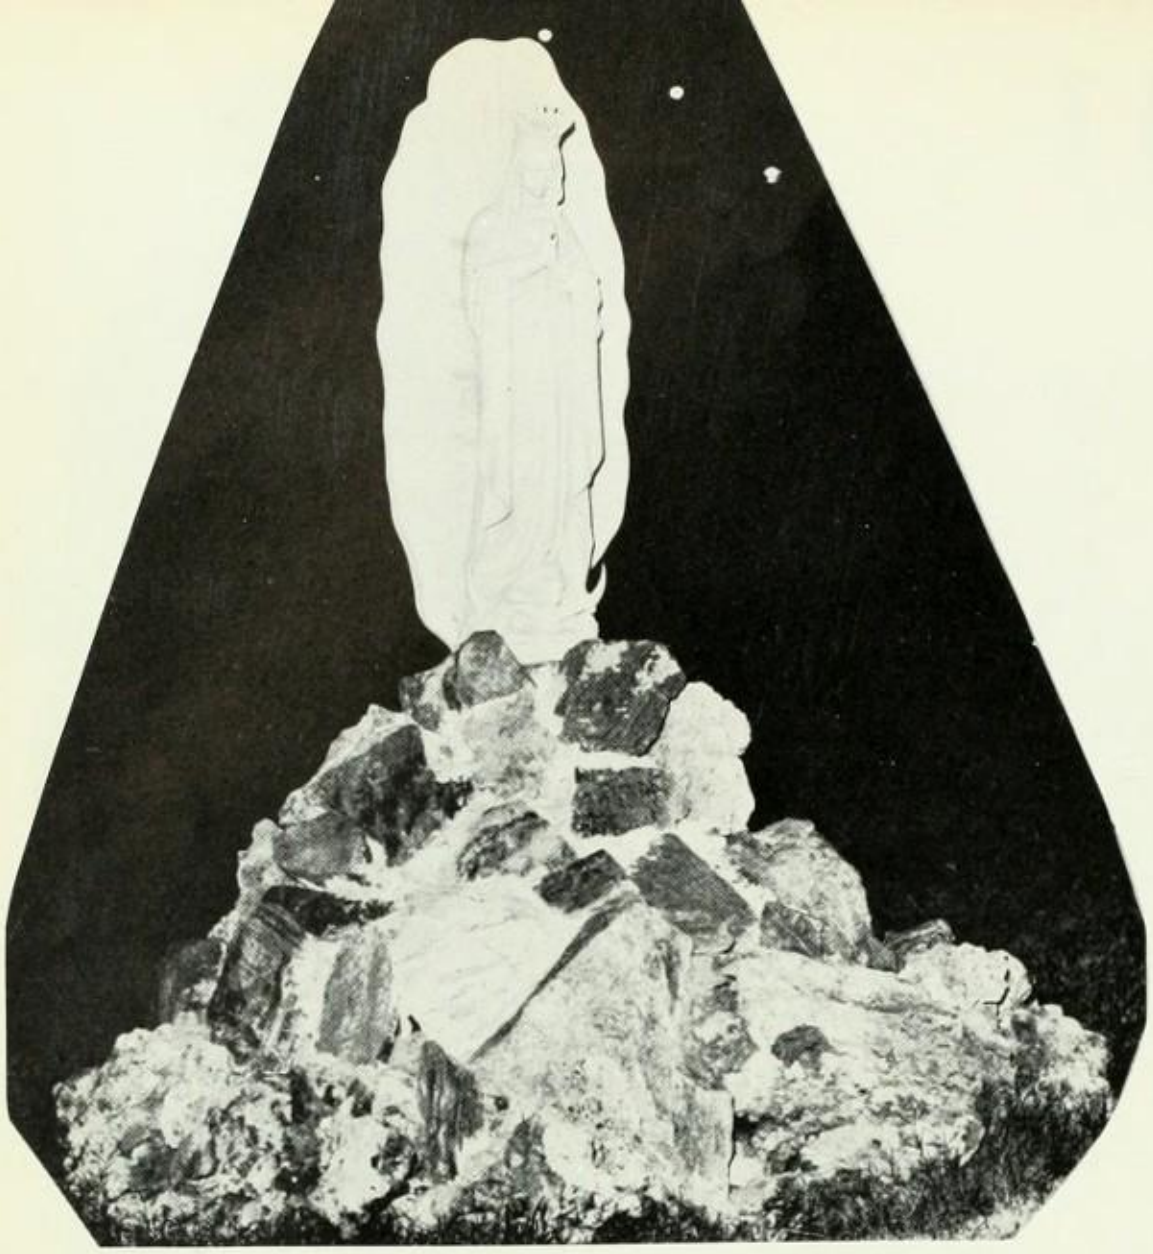
Determination of an eventful year is mostly planned through the considerations and decisions of the Student Council. This student government consists of the Student Body Officers, the presidents of the various classes and the chairmen of the different school committees and organizations. The student council meets every second Friday of the month as well as makes a quarterly report before the general assembly of the Student Body. Besides the general overall supervision of the campus affairs, the Council notably contributed this year — a new student constitution and an enlarged yearbook.



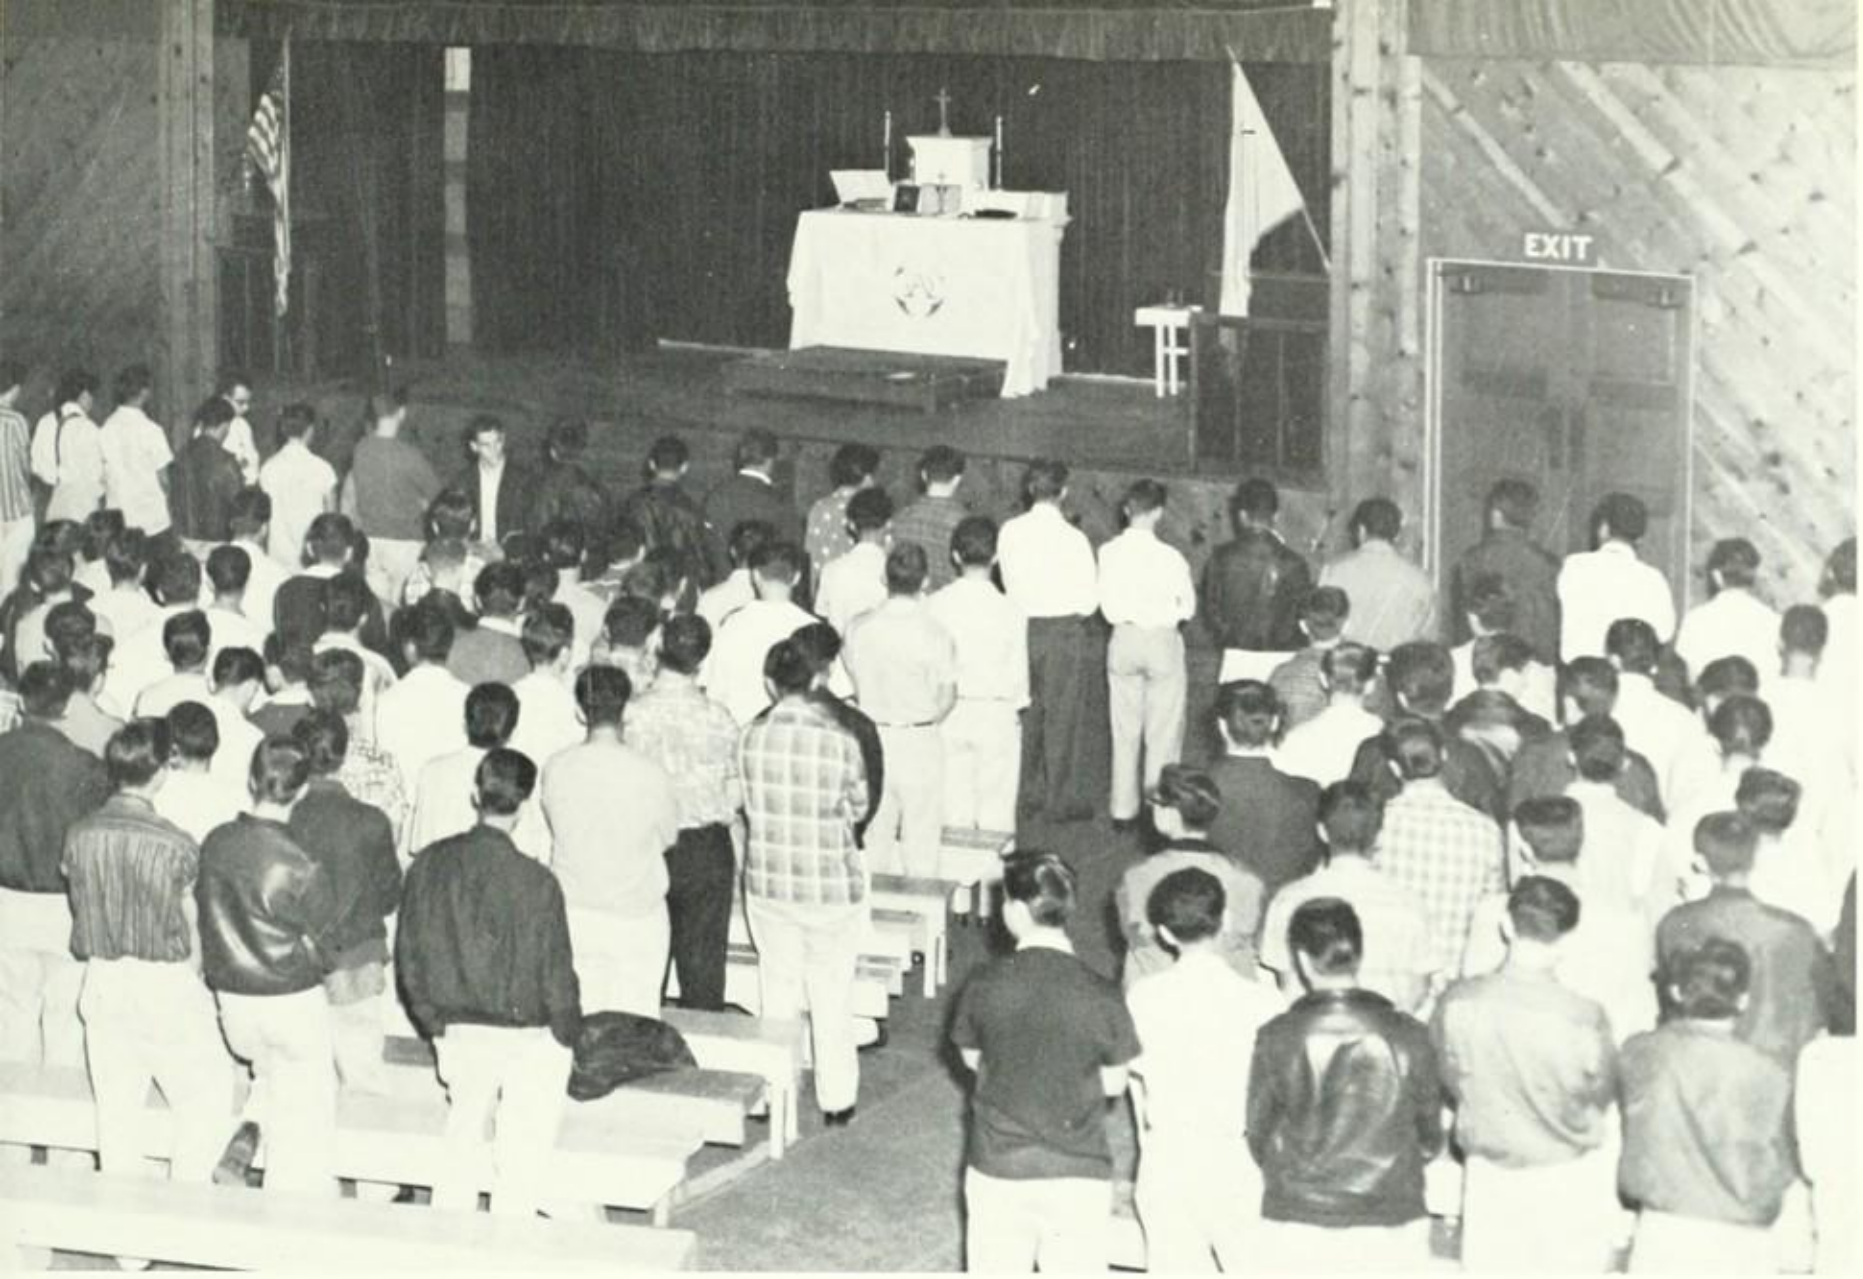
Devotion to the Blessed Mother is a key factor in the life of every Cathedral student.

In the chapel one finds Christ present on the campus at all times.

. . . Unto God

To My

The heart of Cathedral is its Religious spirit. Its purpose, its consciousness, its every movement is activated by one's thought of the presence of God. This is demonstrated in the classroom by instruction and prayer, especially the daily Rosary, week ly Mass, Confession and Communion and the annual retreat which this year was especially noted for its excellent silence. The students will not forget Father Charles Guilfoyle's simple plan for living spiritually by means of constant weekly Communion. The newly consecrated Bishop Bell concluded the retreat by offering the Holy Sacrifice and reminding the student body of its great privilege in having a Catholic education. This year's Senior retreats held at the Passionist Monastery in Sierra Madre proved quite popular and successful as was related by the Seniors.



Weekly Mass, Communion and Confession are the Student Body's keenest moments for growing spiritually.

EDUCATION — That's it. Not just teaching, but education, is where Cathedral's special excellence lies. The process — mind meets mind. Awakening, searching and discovery are the steps. The material — youthful eagerness and competent experience. The means — in the presence of God, His marvelous creation, the Human Soul, enlightened from above and getting ever closer to the Divine essence.

SENIORS '57

Left to right: Claude Martinez, Secretary, Ronald Bautista, Treasurer, Gregory Villanueva, President, Manuel Corral, Vice-President, Hank Perez, Sergeant-at-Arms.

In the autumn of 1953, the present Senior Class entered Cathedral. Four years later, we look back and review some of their accomplishments: . . . two Frosh Week wins . . . Twenty-eight varsity lettermen . . . participation in seven championship varsity teams . . . a new Cathedral banner . . . three S.S.A. Editors . . . Archdiocesan Y.C.S. and Sodality presidents . . . leaders, athletes, scholars and Catholic gentlemen. Outstanding in scholarship were Paul Forney, James Lynch, Robert Eichelberger, Robin Lew, Jerome Dimaggio, Edward Lazo, and Sam Vranjes who won certificates of achievement from the Bank of America. Lynch and Lew took gold cups.

Every class has a few individuals who are in a special way outstanding. The class of '57 has these individuals in Harry Rosemond, Student Body President, recipient of eleven varsity letters in three sports, All-Catholic in Football, Track, Block C for 3 years, Y.C.S. for 4 years. Bill Thomas, an outstanding member of the Chimes paper for four years and S.S.A. Editor-in-Chief, Circle C. Greg Villanueva, Senior Class President, member of the Block C and Circle C, Dance and Rally Committee, Glee Club. Bob Blanchard, Circle C President, varsity football and track, and Lettermen's Club. Jack Sanchez, Y.C.S. Archdiocesan Chairman, four years in the Glee Club, Block C, outstanding lettermen in tennis, Class President, Marian Society. Such is but a slight indication of the classes potential which will prove itself in numerous ways for the years to come.

True Phantoms — The Class of '57.

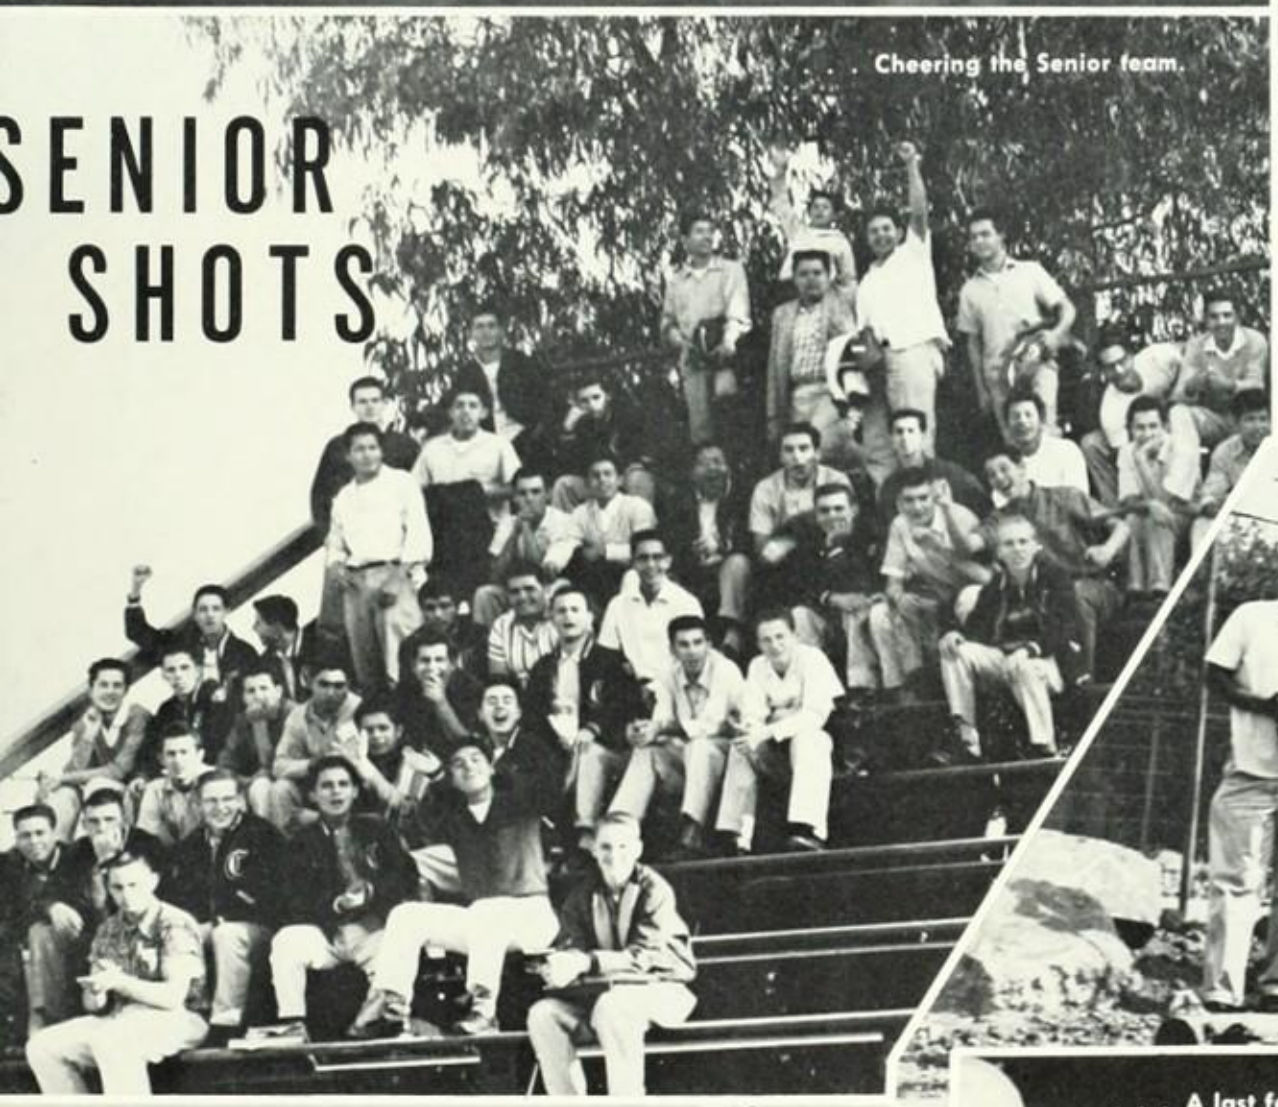
SENIOR SHOTS

. . . Senior Mixer.

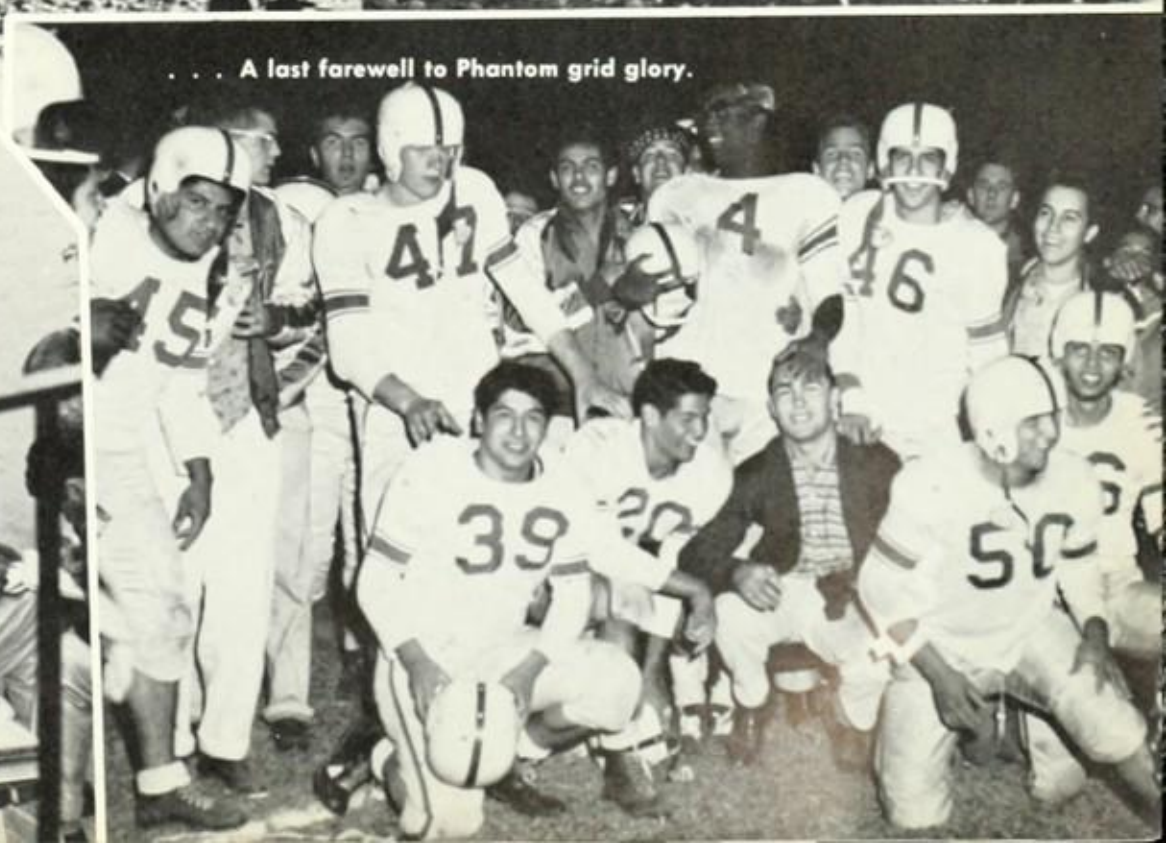
. . . Seniors "cleaning-up."



. . . Cheering the Senior team.

. . . Phantoms in the graveyard.

. . . Rooting.

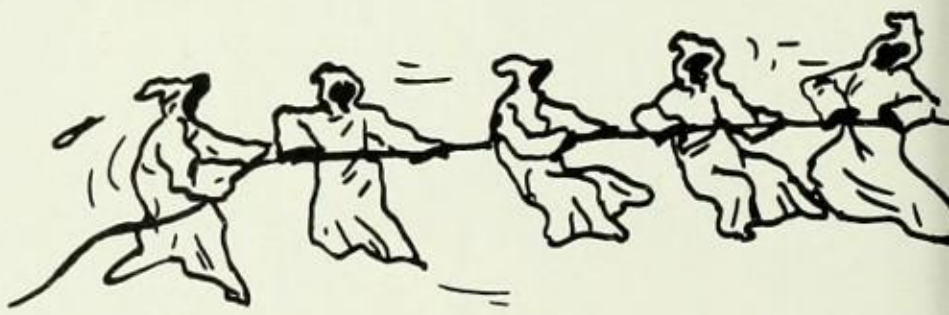


. . . A last farewell to Phantom grid glory.

WELCOME

Sophomores try out-yelling Freshmen, but lose.

9-5 Freshmen singing "Que Sera, Sera" (it was, too) helped winning of Talent Show.



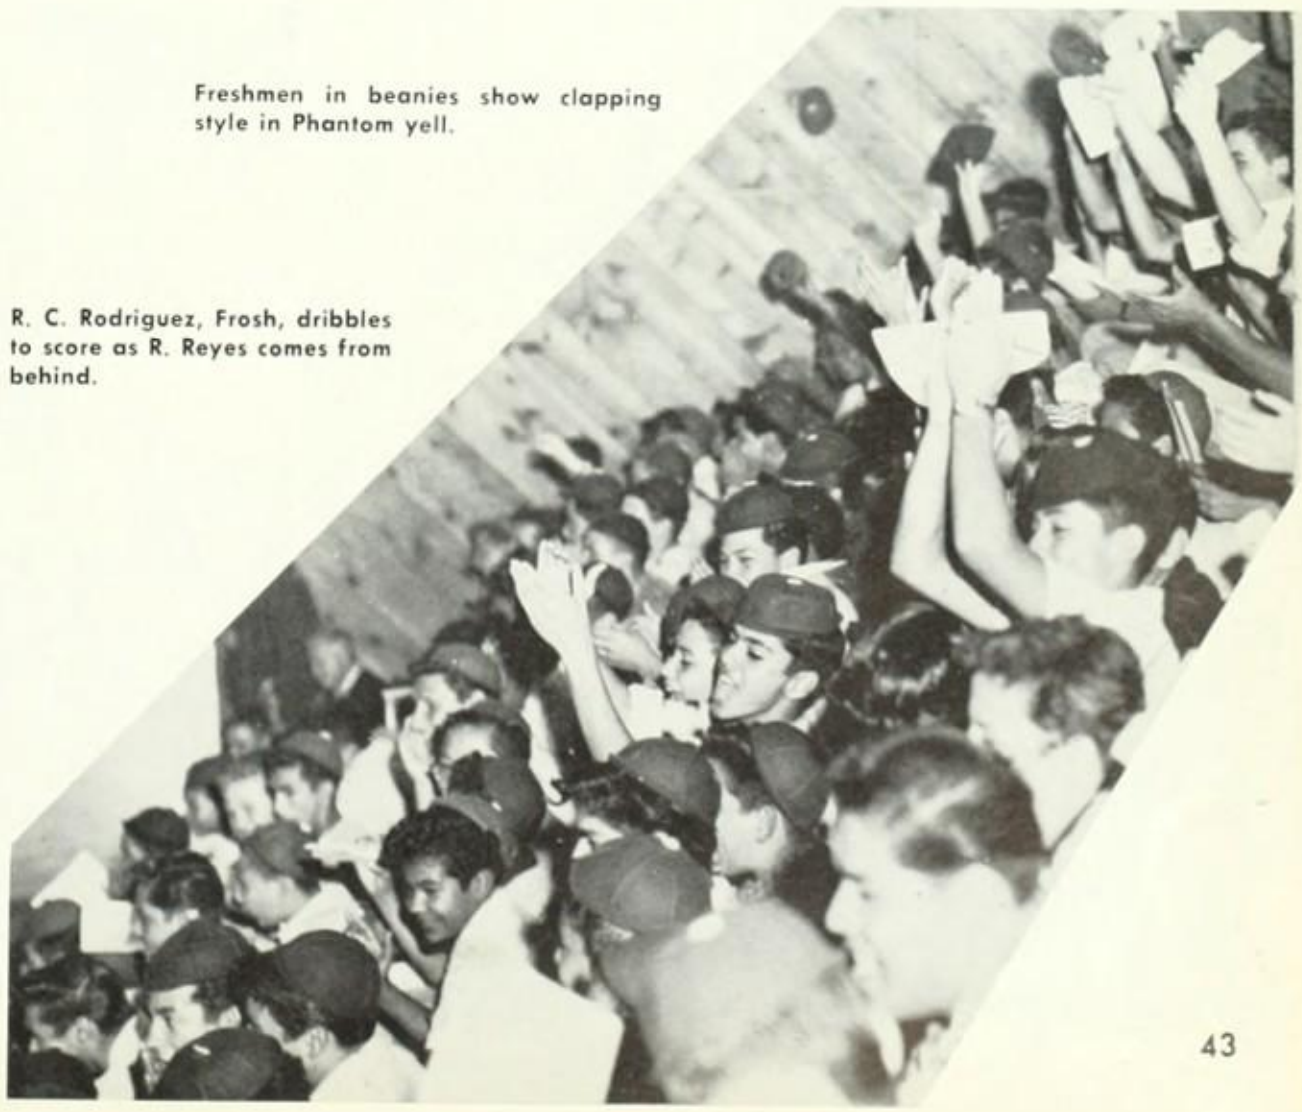
Showing forth the talent that gave them the victory the previous year, the Sophs overpowered the Frosh during the Frosh Week initiation. The Sophs opened the winning by sweeping practically all track and field events and then widening their lead by a 16-12 victory in the basketball tournament. In the academic department, a tie was brought about when the Sophs won the spelling and the Frosh took the story telling. Were it not for the Freshmen winning the talent show which provided the high point of Frosh Week, it might have been a runaway for the Sophs.

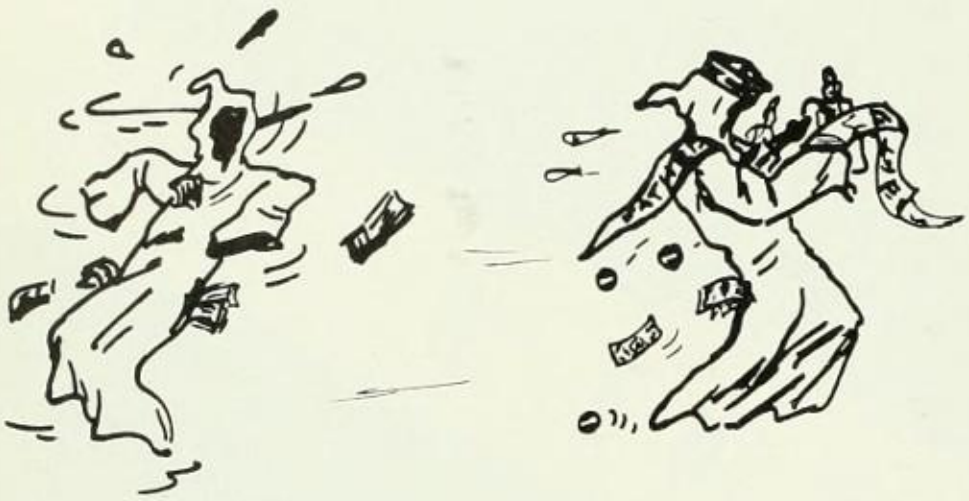
FROSH

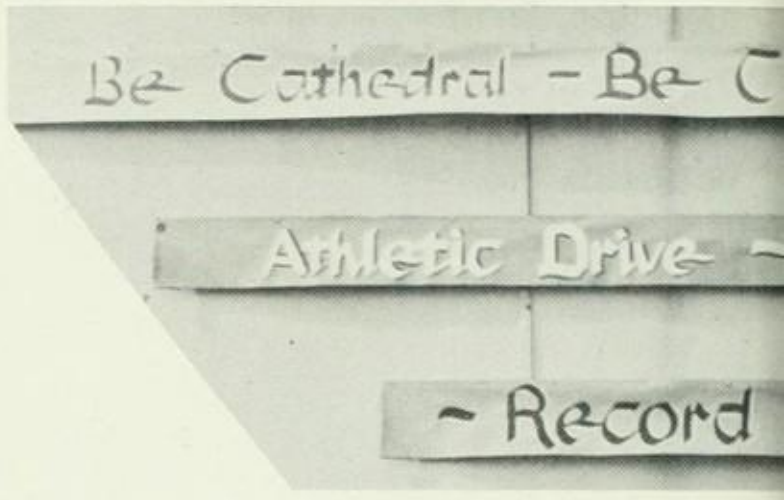
Juniors go thumbs down on Sophomores in voting for Freshmen.

R. C. Rodriguez, Frosh, dribbles to score as R. Reyes comes from behind.

Freshmen in beanies show clapping style in Phantom yell.





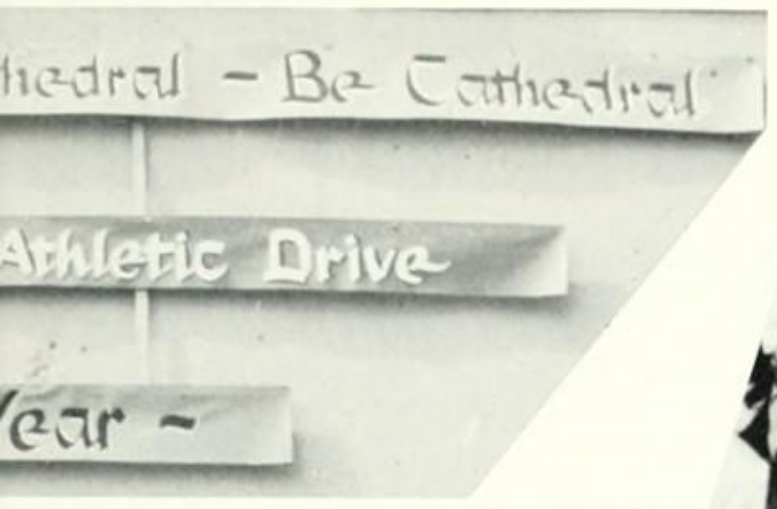


In the 1956 Athletic Drive the lower division took a fast lead with 9-5 and 9-3 battling it out for 1st. 9-5 finally came through with their quota first. Toward the end of the drive the upper division took fire and pulled up with 12-4 coming in with the highest in the school beating out 11-4 and 12-1 to the class award.

For the second year in a row Danny Spenser took top selling honors with $250 sold. This year's drive topped last year's in total.

Class 12-4 came through with highest percentage — 109.5 %

Class 9-5 was the first in the school to achieve quota.



Students and parents enjoy games at the annual Fiesta.

Cathedralites who sold $50.00 or more were: Front: Tsukahara, Spenser, Palmersheim, Hattori, Castorena. 2nd row: Salcido, Schreiner, Aceves, Smeltz, Morgan, Guerrero, McWilliams. 3rd row: Bierman, Mendez, Valencia, Olvera, Nieto, Ferrente, Paquet. Missing: R. Ramirez.

JUNIOR

September saw the Juniors begin participation in football and Cross Country and 50 members of the class admitted into the Circle C . . . The sunny autumn month of October saw them pour their enthusiasm into the Athletic Drive, one of the most successful staged yet . . . In December, a Junior mixer was promoted . . . January brought class rings . . . On February 21, 1957, the Junior Prom was held at the Riviera Country Club, with the music of Johnny Delfino setting the atmosphere. Afterwards the majority of those Juniors who attended the Prom went to the Mocombo to complete the evening as a most memorable one . . . It was announced in March by the Junior Council that the exterior color of the Senior jackets for '57-'58 would be changed back to the gray which seven previous Senior classes had chosen.

FOOTBALL

Off to a spirited start the Phantoms opened the season by tieing strong Antelope Valley. Although the Antelopes went on to win their league championship besides defeating Mt. Carmel, the Catholic League Champs, in the C.I.F. playoffs, the Phantoms were surely the superior team this night as statistics proved, outrushing the Antelopes 326 yards to 81 and outdowning them, 18-4.

In the 2nd pre-season game, the Phantoms took Santa Maria, champions of their league, thus avenging the loss of 1955. Bad breaks and injuries plagued the Phantoms in their league opener, the St. Anthony's game. The score was tied at the half. In the 3rd quarter the Phantoms were ready to score from the 5-yard line, but the Saints took a fumble 95 yards for a touchdown which proved to be the decisive play of the game.

Coming back from this defeat, the Phantoms rolled over Serra, the eventful 2nd place team of the Catholic League. The highlight was the 97-yard run made by Kenny Ogata after picking up a Cavalier fumble. Other scorers were Rosemond for 2 T.D.'s, Giliberto and Blanchard for one each.

The great power of the Catholic League champs, Mt. Carmel, proved too much for the spirited Phantoms. The 1st quarter was a tight fight remaining at 0-0. In the 2nd, a blocked punt gave Carmel the ball on the 15-yard line of the Phantoms from there they scored on 4th down. Several times Tony Abdalla almost proved too much for the vaunted Crusaders as he cut through on quick long thrusts being stopped twice as he sped through the Carmel secondary by one last lone Crusader.

The Phantoms dropped a hard fought game to Cantwell the following week. After being in the lead for most of the game, the Phantoms were tied in the 3rd period on a long run by Cantwell's Muro. In the last quarter they added the final T.D.

NOTRE DAME

Continued from page 57

In their traditional rival game with Loyola, the Phantoms were held to a tie but threatened the Cubs many times with some great runs. However, it proved to be a tough defensive game as neither side was able to score the winning point.

Leading at half-time by 9-6, the Warriors of Pius X proved to be a stubborn opponent, but a long run of 75 yards by Rosemond who also scored in the 1st period on a 73-yard run broke up the game. Tony Abdalla added the finishing touches in the 4th by scoring on a 10-yard run.

In the final game of the season with Notre Dame, the Phantoms trailed at the half 13-6 but in the 3rd quarter Saucedo recovering a Knight fumble took it 45 yards to score. Hayes snagging a pass from Disarufino scored once more and Rosemond added a 40-yard T.D. run.

The season record ended 4-4-2 putting Cathedral in 4th spot ahead of Cantwell, Pius, Notre Dame, and Loyola.

Junior Varsity

Although the season ended with 3 wins and 5 loses, the J.V.'s have many individual standouts who will prove of great potential for the varsity. Outstanding for their running ability were Raul Neria and Ramon Nieto, at end, Gregory Snaric, in the line Sal Macias, Tom Mandic and William Frawley. Highlighted game of the season was against league champion Mt. Carmel who could only score by recovering a Spook fumble behind their own goal.

Cross Country CHAMPIONS

Cross Country has developed into a major sport for Cathedral during the last three years, due to the fact that it has taken the championship of the Catholic League during those three years and has proved a tough contender to the C.I.F. and City teams. This year the team achieved special honor by defeating Garfield High School, City champs, who for seven years had never lost to a C.I.F. team. This is only one proud victory among many which Cathedral has to cherish.

Colorful atmosphere contributes to the pleasure of all at the Queen's Ball.

Seniors and Juniors take a few minutes for conversation and refreshments.

One of the most successful of dances at Cathedral in recent years was the 1956 Queen's Ball which had for its special theme, "Regina Phantasma," the coronation ceremonies of Miss Cathedral, Josephine Rosas. Decorations were provided through the efforts of the Dance Committee under the direction of Brother Kenneth and Brother Claude. Refreshments were served by the Circle C and the Gene Parker Studios provided special dance entertainment. Some 150 couples attended.

Varsity

Despite a second division finish in the Catholic League standings, this year's Cathedral varsity basketball team although slipping low in the 1st round showed great comeback spirit in the 2nd by practically sweeping a perfect record.

The final record shows: a monumental victory over Mt. Carmel High, double wins over archrival Loyola, a brilliant home court win record, a creditable 6-8 mark for 14 league tussles and a bright outlook for next year.

On February 12, 1957—history was made in Cathedral's gymnasium. Mt. Carmel High, Catholic League and C.I.F. tourney finalists, at the time boasting an unblemished victory string of 24 straight, traveled across town and received a jolting shock by a fired-up squad, averaging 5-9 in height. The details were actually self-explanatory. A ball control offense and perfected strategy earned the Cathedralites a 48-33 win and praise from the Southland's press.

The Scholastic Sports Association of the Los Angeles Examiner awarded the team and Mr. Cimino, its coveted "Team of the Week" trophy on a television show two weeks later.

In two games against Loyola, the under-rated Phantoms and the sharp-shooting Martinez boys, Juan and Bobby, performed with amazing consistency. Seventy-five points were collected by the pair in the two games, and during each contest, Cathedral's players scored with frequent ease.

The final round of league action was rather dismal, with the Phantoms winning but once in seven outings. It may be noted, however, that five of the games were played on the road. As the second half of the season commenced, the team took on new life and determination. They seemed to have the desire to show everyone that they need not be a second rate team but could take every team in stride including

the big ones. Cathedral's hardwood heroes won five consecutive games finally being stopped by St. Anthony's in an overtime win.

Top scoring honors in league competition went to Junior, Bobby Martinez for an average of 15.2 which was 5th highest in the Catholic League. Juan Martinez, closing out his second brilliant season as a varsity mainstay, followed in the scoring race with a 12-point-per-game average. Both Juan and Bobby were selected All-Catholic. Completing the first five and noted for their hustle and team work were Chester Lira, Raul Disarufino and Harry Rosemond. Most frequently substituting were Walter Rolfe and Ross Fontes.

With Bobby Martinez and Sophomore Raul Disarufino scheduled to see action next year, prospects of another fine team are promising. To bolster the returnees, Juniors Ross Fontes and Walter Rolfe will give next year's club offensive strength, and experienced nucleus, which could produce a first division contender.

Cathedral students and alumni, will long remember Mike Cimino's 1957 giant killers — the first Phantoms basketball team to throw a "money wrench" into the Mt. Carmel machine — in six years, spoiling a 24-0 seasonal record.

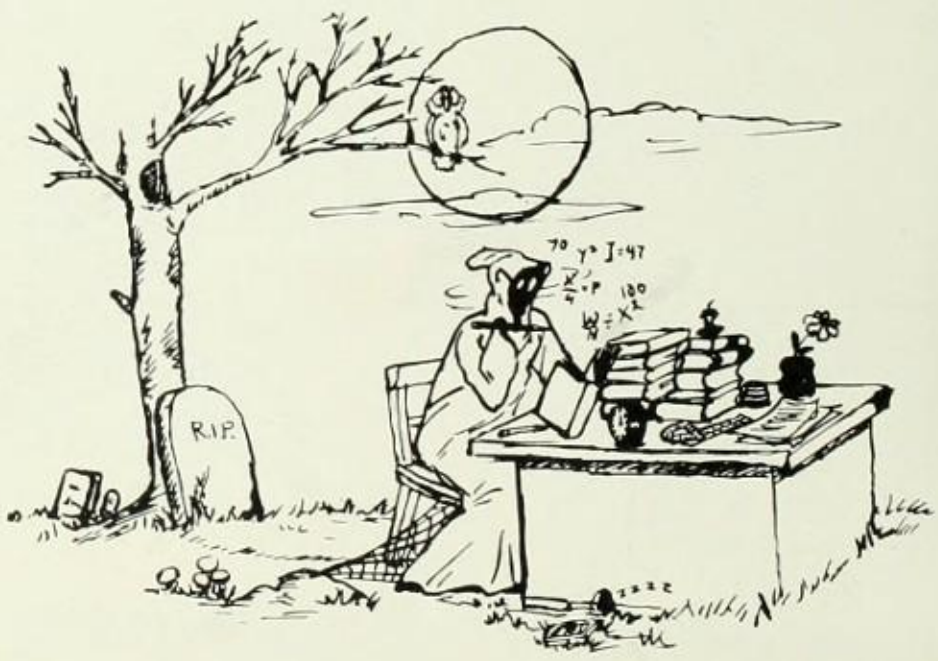
C.S.F.

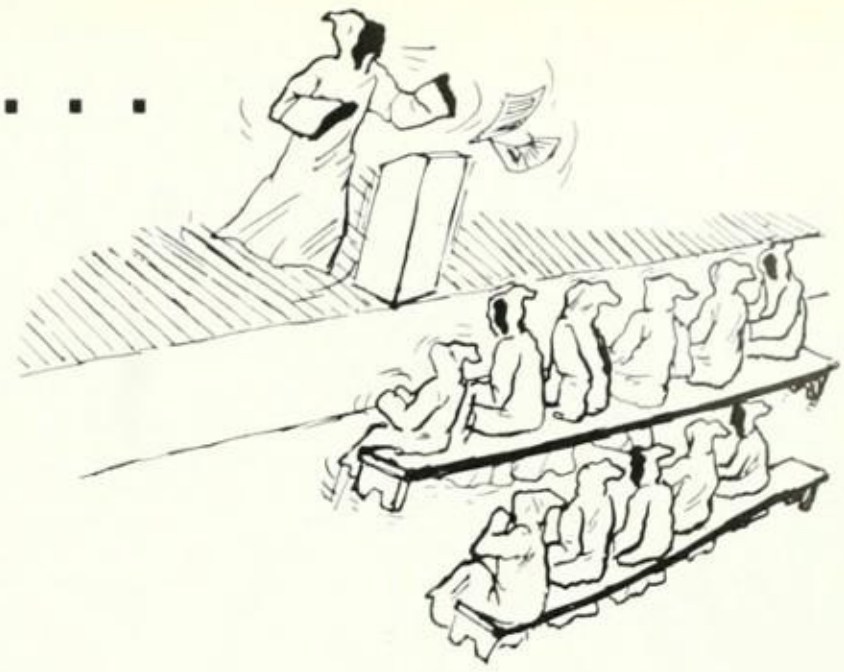
The California Scholarship Federation has as its main objective the promotion of "Scholarship for Service" and the stimulation of interest in higher education.

In achieving this end, it has annually sponsored the Frosh Week Academic contest, the Parochial School contest, forums and discussions. This year in addition, it has made an outstanding contribution to learning in the foundation of a school academic plaque to be inscribed with the name of the class maintaining the highest scholastic record for each quarter. The Society also sponsored a writing contest during the month of March through Brother Edward, its moderator, and directed by Richard Hernandez, President.

Membership in the C.S.F. is based on a B average and participation in school activities. Special awards in the form of pins and scholarships are made to those who have become Life Members.



Fourscore and...



The purpose of the Speech and Debating society of Cathedral is to help its members organize logical, powerful and well founded debating problems and to develop a sense of poise for public speaking. Each morning for 45 minutes, the group prepares and carries out debates in order to be ready to contend at a moment's notice with such prominent schools as Marshall, Notre Dame, Mayfield on this year's topic of the Farm Parity.

Through this training several of the debators and speakers achieved success not only in interschool debating matches but also in the Carrollton, the American Legion and Lion's Club speech contests. Richard Hernandez proved to be Cathedral's best speaker on these occasions. The most outstanding debating team of the year was that of Richard Hernandez and Ted Hsukahara.
